Management's Responsibility for the Financial Statements:

This responsibility includes the design, implementation and maintenance of internal control relevant to the preparation of the financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility:

Our responsibility is to express an opinion on this financial statement based on our audit. We conducted our audit in accordance with the Standards on Auditing issued by the Institute of Chartered Accountants of India. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditors consider internal control relevant to the College's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of the accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion:

In our opinion and to the best of our information and according to the explanations given to us, the financial statement gives a true and fair view in conformity with the accounting principles generally accepted in India:

- i. In the case of the Receipt & Payment Account of the Receipts and Payments taken place in the College during the year ended 31st March, 2023.

Emphasis of Matter:

We draw attention to the following points:

- ii. Fixed Assets Register was maintained in computer.
- iii. The payment of net Salary to the Teaching and Non-Teaching employees (after deduction on account of Income Tax, PF and other deductions made from the Gross Salary of the employees) of the College was made by the University directly to the employees' Bank Account. However after obtaining the details of such deductions, the college has given accounting effect of those deductions in its books and accordingly account prepared.

Our opinion is not qualified in respect of the above matter.

We have audited the accompanying financial statement of **GANGA DEVI MAHILA COLLEGE, KANKARBAG, PATNA** which comprise the Receipt & Payment Account for the year ended on 31st March, 2021.

Management's Responsibility for the Financial Statements:

Management is responsible for the preparation of this financial statement in accordance with the law of India. This responsibility includes the design, implementation and maintenance of internal control relevant to the preparation of the financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility:

Our responsibility is to express an opinion on this financial statement based on our audit. We conducted our audit in accordance with the Standards on Auditing issued by the Institute of Chartered Accountants of India. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditors consider internal control relevant to the College's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of the accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion:

In our opinion and to the best of our information and according to the explanations given to us, the financial statement gives a true and fair view in conformity with the accounting principles generally accepted in India:

- i. In the case of the Receipt & Payment Account of the Receipts and Payments taken place in the College during the year ended 31st March, 2021.

Emphasis of Matter:

We draw attention to the following points:

- ii. Fixed Assets Register was not properly maintained.
- iii. The payment of net Salary to the Teaching and Non-Teaching employees (after deduction on account of Income Tax, PF and other deductions made from the Gross Salary of the employees) of the College was made by the University directly to the employees' Bank Account. However after obtaining the details of such deductions, the college has given accounting effect of those deductions in its books and accordingly account prepared.

Our opinion is not qualified in respect of the above matter.
