**Development Goals-Health**

- On the occasion of National Science Day 2022
- Millennium Summit in New York - Sept 2000
- Set the Millennium Development Goals
- The role is to Reduce Poverty & Hunger, Tackle Health, Gender and inequality
- 16/17 indicators of Progress are related to health
- Health is a state of complete physical, mental and social well being and not merely absence of disease and infirmity. It can also be seen as a process of continuous adjustment to the changing demands of living and of changing resources on p.16, 17 & 18 a dynamic concept
